**JUDGMENT**

Petitioner applied for a regular permit in an inter-district route. The same has not been granted yet, on the ground that concurrence of the R.T.A. Ernakulam has not been obtained. The petitioner submits that it is a regular practice of issuing regular permit subject to concurrence. It is also admitted that this court has directed in several cases, to grant regular permit subject to countersignature by the sister RTA. The learned Government pleader has a case that in case of such grant of permit there is likelihood of misusing the permit. I do not think that there is any scope for such an apprehension since this Court has granted similar prayers earlier.

In the above circumstances there would be a direction to the R.T.A. to consider the petitioner's application for grant of regular permit if he is otherwise eligible, subject to countersignature of the sister RTA.

The writ petition is disposed of as above.
